**Joanne Sanderson : Cross Stitch Floral Designs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cross Stitch Floral Designs:

The accessible approach and appealing photos will entice even hesitant beginners. In addition to projects for all seasons of the year, needleworkers will find everything from guidance on materials and equipment to essential techniques and detailed color charts. The bouquet of designs includes tulip and daffodil pictures; a summery lavender notebook and sachet; and a Christmas rose keepsake box and doily.
