Great book by TuvaBy Joan NewellDurene is one of my fav designers and these charts do not disappoint. Color charts. Nice book as all Tuva Publishings are. Very happy!

From picnics to garden themes, this book features lovely, happy cross stitch charts for both beginner and advanced sewers. The featured patterns can be used for any number of projects. Many of them are smaller in size and would be ideal for home crafting projects such as cards, pictures, cushions, sachet bags, or pincushions. The cohesive floral

theme makes it easy for the sewer to create larger and more elaborate patterns. Crafters are sure to enjoy this collection of pretty, colorful designs.
