purchasing it in order to gauge whether or not it would be worth my time, and all praised Cross Stitch: Learn Cross Stitch FAST! - Learn the Basics of Cross Stitch In No Time (Cross Stitch, Cross Stitch Course, Cross Stitch Development, Cross Stitch Books, Cross Stitch for Beginners):

3 of 3 people found the following review helpful. good beginner book
By Sarah Valero
This is by far one of the better cross stitching books that I have found. I downloaded a lot of free ones, and then a friend had told me about this book. So I decided to download it. It wasn't very expensive and was worth my time and money. The book is neat and well put together; it covers information about cross stitching comprehensively. It gives a brief history and informative portion about cross stitching then gives other information. This book is great for someone who doesn't know what cross stitching is and is awesome for a very beginner. I like the information it gives you about doing tidy work.
1 of 1 people found the following review helpful. Great beginner book even if you're already familiar with stitchery.
By D. Patterson
I'm a huge crafter, but cross stitch and crochet have always been the devil for me. I can embroider well which is why I really wanted to get a better grasp of cross stitch. I bought this alongside a gorgeous pattern and I'm so excited to see it coming along. The book does a great job of explaining how the piece comes together and the process - it's so much more than just sticking back and forth. Really easy to follow and a great beginner book to start with - you won't need any prior sewing experience. I liked that it was this basic as it forced me not to compare it with embroidery and more complex stitching, so far I've put the information to good use on my new pattern and it's coming along even though I've made a few mistakes. I'm glad I bought this and will definitely be keeping it for reference in future.
2 of 2 people found the following review helpful. I learned how to cross stitch in no time.
By Customer
cross stitching is art to me. i always watched my mother and grandmother do it, but i was always too busy with school to learn how to do it. That was until i purchased this ebook. It's amazing and gives great explanation of how to cross stitch. It's easy to understand and it is great for beginners. I can say for sure that i am very confident when i cross stitch now I would highly recommend this book. I have learned everything that i need to know from this book and now i'm hooked. Thank you!!!

Cross Stitch Are You Ready to Know All About Cross Stitch? * * *LIMITED TIME OFFER! 50% OFF ! (Regular Price \$12.99) * * * Today only, get this Kindle Book for just \$6.99. Regularly priced at \$12.99. Read on your PC, Mac, smart phone, tablet or Kindle device. Learning Cross Stitch is not an easy work. It requires time, money and desire.
