Susan Bates : Cross Stitch Mini Motifs: Flowers: More Than 50 Mini Motifs before purchasing it in order to gage whether or not it would be worth my time, and all praised Cross Stitch Mini Motifs: Flowers: More Than 50 Mini Motifs:

This book contains over 54 cross stitch motifs, all on the theme of flowers. There are pretty floral garlands, bold poppies, sprigs of lavender, pansies, violas and flowering herbs. Susans love of the natural world is very apparent here, as she includes details such as bees, butterflies, and little birds in her designs. She also has a love of pattern and includes decorated bone china teapots, teacups and vintage style plates, all decorated with flowers, of course! You can

stitch these motifs individually, or mix and match them to make up your own sampler style design. They can be stitched by beginners and more confident stitchers alike. Susans style is contemporary with a keen eye for detail and rich shading. She likes to combine traditional and vintage style motifs with more a modern, up-to-date style, so there should be plenty of motifs to appeal to all different types of stitchers!

About the Author Susan Bates has created designs for large department stores in London that sold designer hand knitting yarns and patterns. She has also created cross-stitch designs for other publishing companies in England, trained to be an art teacher, and has taught knitting and sewing classes to adults.
