Each title in the Cross Stitch Motif series contains dozens of themed borders, small and large images, and samplers to

inspire an endless array of stitching projects. Easy-to-follow color charts and a color pattern key for each page make each book a useful addition to every design library. A beautiful collection of table dressings, all designed specifically to fit on to special ready-to-stitch table cloths, this book contains 26 inspiring projects for the home. If you prefer to make your own, any countable needlework fabric can be used; simply adjust the size of the pattern according to the count of fabric you choose. Sure to inspire creativity, a collection of extra ideas to accompany all the designs is included, so you can make a cushion or picture to complement your table cloths. Colorful floral border patterns, central wreaths, a delicious cupcake design, and cute teddy bears are just some of the designs that will inspire creative table dressings.
