Each title in the Cross Stitch Motif series contains dozens of themed borders, small and large images, and samplers to inspire an endless array of stitching projects. Easy-to-follow color charts and a color pattern key for each page make each book a useful addition to every design library. The variety of culinary and food motifs in this collection will inspire cross-stitchers to create designs using images of cakes, tea cups, a richly colored spice sampler, fruits and vegetables, and other motifs to embellish tea towels, napkins, and table linens. Using a variety of sizes and styles to liven up any kitchen, the project book features fantastic samplers along with lots of smaller motifs.
