Make embroidery that really stands out! Silhouetting, or stitching shapes in a single color against a contrasting background, gives the images extra richness and dimension. With your needle, thread, and canvas, sew silhouette cross-stitches in elegant and Romantic-period style; childhood classics such as teddy bears and fairytale motifs; favorite pastimes from sports to gardening; country charms; Christmas joy, including a nativity scene; celebrations; sights and sounds from around the world, and a variety of borders and alphabets.
