Joan Elliott : Cross-Stitch Treasures for Children before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cross-Stitch Treasures for Children:

0 of 0 people found the following review helpful. Five Stars By Ady1027 Loved it. 0 of 0 people found the following review helpful. Joan Elliott has done it again! By Cat Once again, artist Joan Elliott has given cross stitch fans a wonderful book of whimsical delightful patterns. By the title, it is geared towards children, but many of the patterns can be engineered to use on a number of projects!. This a must have book for anyone who collects and love Joan's work! 0 of 0 people found the following review helpful. Beautiful designs, wish there were more stitched models. By Janice H. Schillo The designs were wonderful, as you could expect from Joan Elliott, but the book lacked pictures of actual stitched models. I found this to be a real negative. There were some errors in the book, but they were easily overcome. I recommend the book and have already stitched one of the designs. It was beautiful.

A charming collection of child-themed cross-stitch designs by an industry master, this book features 27 patterns and

four alphabet charts that can be easily adapted for different fabrics and appeal to different levels of expertise. From a personalized birth sampler and whimsical nursery decorations to nameplates for toddlers' rooms and small motifs for cards and gift bags, all stages of childhood are covered in these bright and lively projects that make fun use of familiar themes. Whether creating DIY delights for the family or a meaningful gift, the easily read, black-and-white charts and basic cross-stitch instructions ensure that any level of needleworker can access the enjoyable designs.

About the AuthorJoan Elliot has been designing needlework patterns for more than 35 years. Her patterns have appeared in numerous magazines and in her more than 12 books, including *Fairy Enchantment*. She lives in Brooklyn, New York.
