There is an Eastern sampler with the wonderful colors and influence of India, some Chinese Proverbs with gorgeous backgrounds, cat philosophy, country home, wedding pattern, teen stuff, and just plain silly stuff. Lots more. Joan's artwork is colorful and vibrant and beautiful to stitch. Already finished a couple of smaller projects. SOOOO glad I purchased this book!0 of 0 people found the following review helpful. Five StarsBy Ady1027Loved it.0 of 0 people found the following review helpful. Five StarsBy Amylove it

This book contains a timeless collection of beautiful sentiments and humorous sayings for cross stitcher's to bring joy to their lives and a smile to their face as they stitch! Popular events such as anniversaries, Christmas and new baby are celebrated with colourful cheer, while men, teenagers and even pets are given the most playful treatment with entertaining designs to match. Wisdom is lifted from Chinese proverbs and Indian Sanskrit, providing both food for thought and the most beautifully detailed, thoughtful cross stitch designs. The range of large and small designs are made into pictures, cards, frames, pillows and gorgeous gifts so that you and your loved ones can share the wit and wisdom.

About the AuthorJoan Elliott has created needlework designs for over 30 years.
