Cuddle Buddies Hat patterns. Will not use the stuffed animal patterns. 0 of 0 people found the following review helpful. Super cute patterns with easy to follow instructions! By Susan D There is nothing more fun than making a cuddle toy for a child. Kirstyn's design are fun, cute and great for both girls and boys. The brilliant thing is the instructions are so easy that even a beginner can make them. The patterns are easy to sew and the one basic pattern makes all of the different animals. You can sew a puppy, panda, piggy, rabbit, kitty. You embroider the lovable faces and the felt appliques make their faces come alive. The pack holds full sized patterns so there is no need for you to increase and copy the patterns. The finished super cute animals are 18" tall so are a perfect size for any child. The softies would make brilliant gifts! Super cute patterns with easy to follow instructions! I received this item/product in return for my honest review.

Snuggable, huggable, and tons of fun to sew! Stitch 5 adorable animal stuffies: a puppy, panda, piggy, rabbit, and kitty from one basic pattern. Simply change the facial features for a new plush friend. Embroider lovable faces with hand stitching and felt applique, and don't forget the ears and tail! With full-size pattern pieces for an 18" doll included, these buddies are easy to make, even for beginners. Kids can't resist these squeezable best friends! Sew 5 adorable animal stuffies from one basic pattern: a puppy, panda, piggy, rabbit, and kitty. Embroider lovable faces with simple stitches and easy felt applique. Full-size pattern sheets and beginner-friendly instructions included.

These patterns are such a great idea, instead of the flimsy paper pocket, they come in a sturdier card pocket that fastens with a string tie, so that the paper pattern can never fall out. Each one features a colour picture on the front, clearly showing the pattern and on the back what you get inside and what you need to make it. The pattern is printed on quality paper with clear outlines and an instruction booklet is included. This pattern is for 5 different little animals that everyone will want to cuddle. It is a confident beginner pattern and the finished animals are 45cm (18") tall not counting the ears. One full-size pattern allows you to make all 5 animals. The instructions are clear, there's a little embroidery to do on the face and you can have fun selecting fabrics; the quantities are given on the back, you'll also need buttons and embellishments. Hug one today. Recommended. (yarnsandfabrics.co.uk, 9/9/16) About the Author: Kirstyn Cogan designs fabric, applique, embroidery, and simple sewing projects.
