**From Brand: Sterling Pub Co Inc : Culpeper's Color Herbal** before purchasing it in order to gage whether or not it would be worth my time, and all praised Culpeper's Color Herbal:

2 of 2 people found the following review helpful. it is important to me to have a good understanding of herbal remediesBy J EnglishAs a novelist in the fantasy genre, it is important to me to have a good understanding of herbal remedies, both their actual properties, and things that have long been associated with them. This book is a delight to read, with engaging hand-drawn images of the plants described, as well as both a traditional and a contemporary look at each of the items.4 of 4 people found the following review helpful. Culpepper's Most Reverred HerbalBy Cindi HeinI bought this as a gift to one my most dearest friends and one who helped me to get started in herbalism. Culpepper's Herbal is ranked as the highest amongst any Herbals for sale as being the most highest in excellance, and so is anything associated with it. This seller sent this is a very fast ship and the book was in perfect condition and I would buy from this seller again.0 of 0 people found the following review helpful. Culpeper'sBy oafI like this and especially that I bought a good quality used version and am happy to have the book.

Updated and illustrated in full color, this classic retains the charm and elegance of Culpepers 17th-century text. Beautiful, affordable and particularly relevant...identifies both medicinal virtues and modern uses of each plant. In addition to beautiful color illustrations to help with identification of each plant, readers can contrast the ideas of the 16th and 17th centuries [with] those of today.Alive.

"Beautiful, affordable and particularly relevant... beautiful color illustrations help with identification of each plant This makes for particularly interesting reading." Alive
