**Mary Beth Temple : Curvy Girl Crochet: 25 Patterns that Fit and Flatter** before purchasing it in order to gage whether or not it would be worth my time, and all praised Curvy Girl Crochet: 25 Patterns that Fit and Flatter:

3 of 3 people found the following review helpful. I Really Enjoy this Crochet Pattern Book!By JanI REALLY liked this crochet book with the patterns in it. I made a sweater from the book and really like it and enjoy the sweater.. The patterns are not that hard and this sweater was my first 4 piece sweater. I would say its for intermediate crocheters or really if you honestly can follow a pattern to make a hat, you make one of these sweaters. I did get a little help from youtube videos on how to piece together the sleeves to the body to sew together. But otherwise, its a very good crocheters pattern book!11 of 11 people found the following review helpful. Great Projects and Great InstructionsBy Rebecca SunshineThis book has a number of projects to choose from. Some are a bit more advanced but there are plenty of newbie patterns too. In the beginning you will learn the basic crochet stitches as well as how to fit the pattern to your measurements. (Something that will truly make the garment yours.)Lots of great photographs are included as

well as charts. Although this book is for plus size girls you can take the garment construction notes and make any of the patterns to fit you. You'll find patterns for scarves, jackets, sweaters, vests, and even a messenger bag. Curvy Girl Crochet: 25 Patterns that Fit and Flatter 7 of 7 people found the following review helpful. LOVE THIS BOOK! By MsKatI wanted to find a book for curvy girls that wasn't the same old boxy crochet patterns and at the same time wasn't the same smaller sizes in need of mathematical tweaking to arrive at my size. ALL the designs are really cute and totally wearable, and versatile enough that changing the yarn or tweaking the trim here or there can completely change the character of the garment from every day to fancy to office wear. Love it, already almost done with one pattern and planning others, my book is filled with sticky notes!

Full-figured women who love to crochet will rejoice in this fun, fresh, and pretty new book, Curvy Girl Crochet: 25 Patterns that Fit and Flatter. Instead of making adjustments to average-size' patterns, this exciting guide celebrates larger women with 25 original crochet patterns designed specifically in plus sizes. Pullovers, sweaters, wraps, and more every wardrobe staple you can think of is here, with techniques and schematics to show crocheters exactly how to troubleshoot and solve pattern-fitting problems before they occur. Expert crochet designer Mary Beth Temple, whose books can be found in major craft stores nationwide, teaches curvy crocheters everything needed to create fashionable items that will fit and flatter.

About the Author MARY BETH TEMPLE is a nationally known crochet designer whose work appears in "Interweave Crochet, Crochet Today, "and "Crochet World." She creates and publishes a popular pattern line, Hooked for Life, and her many books include DIY Afghans and The Perfect Pillow. Mary Beth has hosted the interactive podcast, "Getting Loopy," which won the Flamie Award three times in a row (2009, 2010, 2011) for Best Crochet Podcast, and was among the top 200 shows on the Blog Talk Radio network for 2009. Temple lives in New Jersey.
