Duncan Birmingham : Cut-and-Make Pop-Up Cards (Other Paper Crafts) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cut-and-Make Pop-Up Cards (Other Paper Crafts):

Easy-to-follow instructions and simple assembly diagrams help create 8 different 3-dimensional greeting cards each

with a colorful background and a picture that pops up when the card is opened: dancing couples, a skateboarder, an all-terrain vehicle, assorted animals, more. Cards measure 4 1/4 inches x 6 1/2 inches when folded.
