Rob Merrett : Cute Clothes for Kids: 24 projects for 0-5 year olds before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cute Clothes for Kids: 24 projects for 0-5 year olds:

29 of 29 people found the following review helpful. Hope it's summer!!By Jen-nayWhile there are several cute patterns in this book, I think it would be nice to know that there are only a few for each size. All my favorite patterns in here are for 3-9 months. Then there is a section with 1-2 year patterns. There is only a few patterns that fit 3-5 year olds, and my daughters were 2 and 4 when I bought this so I was kinda bummed. The recommended fabric length is odd, because it recommends fabric for one size, (for example, one yard for a size 1) but if you are doing a different size (say, size 2) you have to figure out how much fabric to buy on your own. I really wish some of these patterns were bigger! I also think it should be noted that the majority of these items do not have sleeves, so if you live in an area with cooler weather this is not the book for you!2 of 2 people found the following review helpful. Returned this one.By Janet S.Book is divided into three chapters, each featuring patterns in a limited size range. You are not getting an entire book's worth of patterns in a size you may want. The patterns are complicated I feel.0 of 0 people found the following review helpful. Five StarsBy bunnyetteexcellent

Designer Rob Merrett brings you a unique and charming collection of childrens clothes that youll love to make. With 25 projects, incorporating over 40 items, there is sure to be the perfect outfit for your child at a fraction of the price of

mass-produced, store-bought clothes. *Cute Clothes for Kids* is split into three chapters, with each one clearly explaining, step by step, how to make practical yet fashionable garments. You will find robust romper suits and sundresses with traditional nursery motifs in the first chapter, which is for newborns and babies up to nine months old. Chapter two features a selection of hooded sweatshirts, shorts and summer dresses, all ideal for more active children up to three years old. The final chapter, aimed at children from three to five years old, will delight girls and boys alike with pretty dresses and comfortable jackets. Pull-out sheets containing all the full-size patterns and templates you need to complete the projects are included, and each pattern comes in three different sizes. There is also an extensive techniques section, which is a great resource for a beginner and a handy aide-memoire for more experienced stitchers.

About the Author Rob Merrett has worked as a fashion designer, fashion editor, art director and creative consultant for international fashion, active sportswear, colour and interior design companies. He is a design trend specialist and has written about cutting-edge fashion, lifestyle and interiors for over 15 years. *Cute Clothes for Kids* is his fourth book for CICO, following the success of *Making Babys Clothes*, *The Perfect Apron* and *Sew It, Stuff It*. The author is based in Islington, London.
