This book has original, whimsical and hand drawn by the artist. I LOVE THIS BOOK! This is a great book for all ages!!!! Buy this book for all the joy it will bring your family.....1 of 1 people found the following review helpful. Amazing Coloring Book! A+++By Charlotte RaynorThis coloring book is one the best I have bought. The artist, D. McDonald always creates fantastic artwork that I love to color. With the black background, when I use my gel pens, and especially my neon ones, the pictures come out fantastically. I would

highly recommend this coloring book for beginners as well experienced colorers. :-)

This book features lots of black backgrounds as in nearly the entire book has black backgrounds. It is a whimsical coloring book great for people of all ages. There are over forty pages of coloring fun.

About the Author Deborah L. McDonald is the mother of two grown daughters, a grandmother to several and a former teacher. She began designing coloring books in 2003 when her daughters were young because she wanted something more sophisticated to color with them.
