**Ms Deborah L. McDonald : D. McDonald Designs Cakes, Castles, Outer Space White Backgrounds Edition Adult Children's Coloring Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised D. McDonald Designs Cakes, Castles, Outer Space White Backgrounds Edition Adult Children's Coloring Book:

This book is a combination of strange things and strange places. Something to color for absolute fun. Pages are single sided and remember to place a sheet of cardstock behind the page being colored when using markers and pens. There

are over 40 pages to color.

About the Author Deborah L. McDonald is the mother of two grown children, a grandmother, and former teacher who has been creative from the time she was able to sit up in the sandbox. She believes that everyone needs to color more and relax. She has also seen coloring repair damaged self esteem and improve thinking skills. Check her author page to look at many of her contributions to the coloring book world!
