Can one have too many of these types of books specific to there hobbies?? I don't think so. This is definitely a must have for a stitcher who enjoys pulled thread

If you are looking for pulled thread fillings this is a great buy.By CustomerThis offers exactly what I was looking for with out doubling up on other books to much. If you are looking for pulled thread fillings this is a great buy.0 of 0 people found the following review helpful. Three StarsBy cyndi c. colemanOne of the very few books on the subject. Lots of pictures but not enough foundational information..

Provides precise, thorough instructions and illustrations of 45 historic, remarkably beautiful Danish pulled thread designs. Each is accompanied by a photograph of a finished section of embroidery made with the stitch. 84 line drawings. 89 black and white photographs.
