My absolute Favorite Coloring Book series!By CustomerI love the style of the original art work. Raymond J Jones is a very talented artist, his designs are my favorite from other design coloring books. I keep wondering how he does it with each one had drawn, so unique and beautiful. I'm just glad he does. I'm hooked. Started on Volume 8 and looking forward to Volume 9.

Thirty completely different mandalas designed and drawn specifically for this book. The drawings are challenging enough to encourage mindfulness, but simple enough to allow one to enter a meditative state. Structured coloring as

opposed to random doodling has actually been shown to help reduce anxiety and to help with your meditation.
