Ditto if you are a needle worker or fabric artist with an interest in decorated skulls. 1 of 1 people found the following review helpful. Disappointed. By VaJanya Very disappointed. I was really looking forward to using these. They just don't transfer well at all. Very light and not all areas come through. I used on muslin, which should be a good transfer medium. Again very disappointed! 4 of 4

This original collection features elaborately decorated skulls, dancing skeletons, and other charmingly macabre images from Mexican folklore. Decorate pillows, jackets, placemats, handbags, and other clothing as well as accessories and homewares with more than 40 classic Day of the Dead motifs, all of them new interpretations of traditional designs.
