5 of 5 people found the following review helpful. DisappointingBy CustomerImages lifted from comic art (cool) but stretched and distorted (bummer). Wouldn't recommend.1 of 1 people found the following review helpful. Not an official release. No Christmas pictures at all ...By ScottNot an official release. No Christmas pictures at all. Pages are lifted straight off the internet and are cropped, pixelated, and often in the wrong aspect ratio. Most appear to be stolen fan art with some professional stuff mixed in. Very amateurish bootleg.0 of 0 people found the following review
