Beatrix Potter : Dear Peter Miniature Letters By Peter Rabbit Anniversary Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dear Peter Miniature Letters By Peter Rabbit Anniversary Edition:

Half of the book is unusable because it consists of ...By Customer Half of the book is unusable because it consists of reproductions of the hand-written letters, which are illegible. Dear Peter is published to celebrate 150th birthday of Beatrix Potter. It has a beautifully designed copper foil jacket and is the perfect gift for Beatrix Potter fans and collectors alike. Beatrix Potter is best known for her original twenty-

three tales about a cast of endearing, mischievous characters and their humorous adventures. What's less well known is that these characters' stories don't always stop at 'The End' but continue through a collection of letters - written to each other and fans around the world. *Dear Peter* contains the funniest examples of this correspondence, and features letters from well-loved characters including Peter Rabbit, Mrs. Tiggy-winkle, Mr. Jeremy Fisher, and Squirrel Nutkin.

About the Author Beatrix Potter is regarded as one of the world's best-loved children's authors of all time. From her first book, *The Tale of Peter Rabbit* (1902) she went on to create a series of stories based around animal characters including Mrs Tiggy-winkle, Mr Jeremy Fisher and Tom Kitten. Her humorous, lively tales and beautiful illustrations have become a natural part of childhood. A source of inspiration was the Lake District where she lived for the last thirty years of her life as a farmer and conservationist.
