Favorite film star of the 1950s, Debbie Reynolds also appeared in many paper doll books. This version from 1957 has two cute dolls and a fun wardrobe of stage clothes, party dresses, sleepwear, summer togs and even western wear. Added star biography by David Wolfe. Debbie Reynolds, a product of the Hollywood studio system, appeared in almost 50 films, made dozens of TV appearances, conquered Broadway and the concert stage, sold millions of records and never lost the joi de vivre that first made her a star and just keeps bubbling along. Includes star biography by

David Wolfe.
