It explains almost everything you want to know about this beautiful straw craft. I can see how it can lead into spinning, plaiting, braiding, ribbon work, gold work, Brazilian embroidery etc. I can not say enough about his book.0 of 0 people found the following review helpful. I like to dabble in creative hobbiesBy The GrannyI like to dabble in creative hobbies. I had not done this before so I bought a few Wheat Weaving books and am enjoying the more simple patterns. It is a great book.0 of 0 people found the following review helpful. Beautifully put together bookBy Jona K.Lot's of great ideas. Creative ideas. They are very sophisticated, but do able. I'm looking forward to trying the ideas.

Barbara Fitch revives the lost art of Swiss straw work and explores the techniques of straw marquetry and embroidery in this practical guide to the art. Over 150 detailed step-by-step sequences are provided and many pictures of historical examples. '
