Mary Ross, Barbara Scheu : Delightful Quilts in Bloom before purchasing it in order to gage whether or not it would be worth my time, and all praised Delightful Quilts in Bloom:

Potential buyers should be advised that this book only contains patterns for one full sized quilt, plus a small project. Also, all the block patterns must be vastly enlarged before they may be used. When I pay this much for a book, I expect full size patterns. It is not convenient, or inexpensive, for me to get to a proper copy machine. For what it's worth, I returned my copy as soon as I saw it's format.0 of 0 people found the following review helpful. Five StarsBy CustomerIf you like to applique this is a nice book. For appliquers, this is one of the best books out there!

Easy enough for a novice yet appealing enough for the expert, these fanciful baskets and flowers will entice all applique lovers! Complete patterns are provided for a full-sized, twelve-block quilt including lattice sashing, a meandering vine border, and quilting design suggestions. Perfectly suited to the block-of-the-month format, these flower-filled patterns can also be used individually or in smaller groupings. Instructions on applique basics and a no-fail miter ensure wonderful results. Directions for several small projects are given including a pillowcase, pillows, table runners, and wallhangings. In addition to the delightfully drawn baskets, containers such as a watering can, birdhouse, barrel, picket fence, coal bucket, and butter churn all are waiting to be filled with colorful bouquets.

A full-size, 12-block quilt, five wallhangings, and a table runner are among the features in this selection of quilting projects that use applique and color patterns to incorporate flowers into quilting. From finishing touches to discussions of quilting tips and techniques for blending styles and flowers, *DELIGHTFUL QUILTS IN BLOOM* is a special pick for quilters and gardeners alike. -Midwest Book About the Author Mary, with years of experience in quilting techniques, and Barbara, with expertise in painting and artwork, have pooled their resources to create the original block-of-the-month projects that inspired this book. An award-winning painter, Barb started quilting after seeing Mary give a demonstration at a local quilt club. Several of her paintings grace these pages. They both live in Montrose, Colorado.
