**Jeffrey B. Snyder : Depression Pottery (A Schiffer Book for Collectors)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Depression Pottery (A Schiffer Book for Collectors):

0 of 0 people found the following review helpful. Five Stars By DeeGreat book! Nice pics! 0 of 0 people found the following review helpful. Excellent reference for collectors. By andiesenji I am not a really serious collector but have a few nice examples and simply wanted a book that would give me an idea of what to look for in adding to my modest group. This is an excellent book and exactly fits my needs.

This work surveys the varied and beautiful wares produced during America's Great Depression years. Accompanying the colourful display is a text that provides brief histories of the potteries striving to bring their wares to cash-strapped Americans.'

About the Author Jeffrey B. Snyder is an author, editor, and collector living in southeastern Pennsylvania with his wife and children.
