**From Color Charts, Inc. : Desert Blooms (Volume #00802)(Counted Cross Stitch)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Desert Blooms (Volume #00802)(Counted Cross Stitch):

0 of 0 people found the following review helpful. Great seller experience!By loveblueThis cross stitch design is at least a decade old. I don't even think the company that produced it, Color Charts, is in business anymore, but I really wanted to purchase this particular pattern because I've been working on and completing cross stitch projects with a Native American theme, and this pattern would work will with that.Great job by the seller! I received my order in a very short period of time and it was in brand new condition. Very happy with my purchase.
