Helen Davies : Designer Smocking For Tots To Teens before purchasing it in order to gage whether or not it would be worth my time, and all praised Designer Smocking For Tots To Teens:

4 of 4 people found the following review helpful. Beautiful, original smocking designs By camille tarics This book is great for anyone who wants something more imaginative and contemporary than the classic square yolk dress and bishop dress smocking designs. The designs are interesting and unusual, and the instructions are clear and easy to follow. The instructions for the stitches are well illustrated. The book even includes instructions for fun, coordinating accessories. Proves that smocking need not be confined to traditional, conservative garments. I am really enjoying this

book.0 of 0 people found the following review helpful. Love this bookBy RochelleI'm working on my second pattern from this wonderful book. Great ideas and great instructions. So worth the money. If the seller had not told me the book was used I'd have been sure it was brand new.0 of 0 people found the following review helpful. Arrived in a weeks time and is exactly what IBy lauraArrived in a weeks time and is exactly what I wanted

Designer look without the designer cost, what's not to like? Designer Smocking for Tots to Teens empowers you to create modern clothing with contemporary catwalk character, for less money and in less time than it can take to decide on the perfect outfit. Within the 10 charming outfits featured, including patterns for 16 items, there are small accents including a smocked pocket on pajamas and patches on a pair of denim shorts, plus cute dresses, skirts and tops for children from newborn to size 14.

About the AuthorHelen Davies is the chief editor of Australian Smocking Embroidery Magazine, a product of Country Bumpkin. She's written several books of the subject of smocking and frequently lectures and hosts workshops on smocking. In her free time she loves to surf. Her magazine can be located at www.countrybumpkin.com.
