Thanks!By Lori HoganGreat Book!!!! I can't wait to be able to get into my soapmaking!!! These are going to be great christmas gifts!

Make an assortment of colorful, fragrant soaps right at home. Its simple and fun with melt-and-pour soap bases, plus easily purchased molds, tools, essential oils, and natural dyes. The delightful boutique-quality options include molded and loaf-style picture soaps; embedded and embossed soaps; fossil soaps (great for kids); and basic carved designs. There are also creative techniques for wrapping and displaying the soaps, plus numerous photographs, instructions, recipes, and patterns.
