Judy Bentinck : Designing and Making Hats and Headpieces before purchasing it in order to gage whether or not it would be worth my time, and all praised Designing and Making Hats and Headpieces:

6 of 6 people found the following review helpful. Great easy to understand and great variety of hat making projectsBy DivinaOne of the best books I have bought on hat making , I'm more visual than like to read, easy to understand with visual instructions on how to make a hat1 of 1 people found the following review helpful. Five StarsBy Absinthe AdamsLovely book.5 of 7 people found the following review helpful. I bought the Kindle version because I "wanted it now" - sometimes having the book is much better.By Joellen BalfourFryI've already picked a couple of hats I want to try. I bought the Kindle version because I "wanted it now" - sometimes having the book is much better.

This inspirational book about the art of millinery is also an instructional guide aimed at anyone interested in hats, millinery, fashion, and costume design Making hats is an exciting and highly imaginative craft, with endless possibilities for creative flair and innovative design. This book leads readers through the process, explaining the

materials, tools, and equipment, before introducing a variety of hat types. Drawing on her rich experience, the author generously shares her ideas and advice so that you can achieve a professional finish and make a design that flatters the wearer and completes an outfit. This guide introduces stitching, shaping, and sewing techniques the essential skills of millinery and advises on design, where to find inspiration, and how to fit a hat. There is information on blocked hats, headpieces, fascinators, and cut and sewn hats, as well as further ideas for trimmings, such as bows, additional felt, veiling, flowers, and much more. With beautiful photographs and clear instructions, this book is an essential guide for anyone who wants to design and make a hat for a daily outing, a special occasion, or a costume.

About the Author Judy Bentinck is a practicing traditional couture milliner who teaches millinery from her own studio. Previously she spent several years designing and making theater and film costumes for the BBC and the Royal Opera House.
