Classic reference book on Hopi pottery sybologyBy A CustomerReprint of portion of Bureau of Ethnology Report #17, 1895 and #33 (I don't know the date). Not the easiest reading, but important primary resource. Fewkes was not the most meticulous archaeologist,

but for his day he was pretty good, and he obtained his information at an early period in the ethological research of the Hopi culture.

One of richest sources of pre-Columbian design from Sikyatki site: on vases, bowls, plates. Hundreds catalogued and analyzed: birds, animals, clouds, lightning, demon motifs. Source of rich, powerful designs. 564 illustrations, interpretative text.
