0 of 2 people found the following review helpful. A little worse than I thought
By Customer The book was in a bit rougher shape than described. I'll keep it, but should have been rated a bit lower. It came quickly though!
0 of 0 people found the following review helpful. I love it
By Kenneth D David Great faceting design book.
1 of 3 people found the following review helpful. Review of "Diagrams for Faceting" is for another book
By A Customer You have the wrong review attached to the book "Diagrams for Faceting". "Faceting For Amateurs" is a different book by the authors
