Tom Tierney : Diana, Princess of Wales, Paper Doll: The Charity Auction Dresses (Dover Royal Paper Dolls) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Diana, Princess of Wales, Paper Doll: The Charity Auction Dresses (Dover Royal Paper Dolls):

0 of 0 people found the following review helpful. A MUST HAVE FOR PRINCESS DIANA ENTHUSIASTS By Liz G. I purchased this for my mom, who is a life-long British Royalty fanatic. She absolutely loved it, and appreciated the fact that each dress was historically accurate to what Diana really wore to important events. 1 of 1 people found the following review helpful. Great collection in one book By Jeanette I have several Diana fashion dolls that are dressed

like some of the fashions portrayed in this book. It is fun for me and my family to find the ones that match. It was thrilling to my grandchildren to see the pictures and the dolls. It meant more to them in their understanding that Diana was a real person and not a fictional character. They were thrilled that I could tell them stories about her as well. 0 of 0 people found the following review helpful. Five StarsBy cindy coxLoved the paper dolls! Good price, as advertised, and received on time. Thank you

Assured of international renown by her status as the Princess of Wales, Diana was equally acclaimed for her beauty and compassion. Just a few months before her untimely death, she acted on the suggestion of her son, Prince William, and donated dozens of her dazzling gowns to charity. The Christie's auctions, held in June 1997, raised nearly \$5.5 million for AIDS and cancer treatment centers. In this spectacular paper doll collection, artist Tom Tierney pays tribute to Diana's charitable gesture with the loving re-creation of 31 of the auctioned items, including sumptuous raiment worn by the Princess during official visits, film premieres, state dinners, and diplomatic receptions. With this book you can dress the beloved Princess in costumes by noted designers Catherine Walker, Bruce Oldfield, Victor Edelstein, and others. The elegant fashions include dinner dresses in blue silk crepe and burgundy velvet, an emerald green satin ball dress with bustle effect, a glittering black-and-midnight-blue dance dress, the celebrated ink-blue gown worn by the Princess to a White House state dinner at which she danced with John Travolta, and numerous other costumes, each accompanied by brief descriptive notes. This keepsake treasure will enchant not only paper doll collectors but all admirers of the fresh new style that Diana lent to royal fashion and the humanitarian warmth she brought to the world.
