**Parragon Books : Dinogami (Kids Boxes)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dinogami (Kids Boxes):

Fold, bend and crease to make a whole herd of colourful mini-gami dino models! Use the papers and easy how-to book to create a terrifying T-rex, vicious Velociraptor and tri-horned Triceratops!

About the Author David Temple is an authority on the GM Motorama show and its cars. He is a veteran automotive journalist and photographer specializing in the vintage car hobby. His work has appeared in "Car Collector, Cars Parts, Collectible Automobile, " and other publications over the past 22 years. He is the author of "Full-Size Fords", and is a member of several vintage automobile clubs.
