Came with paper in a nice dinosaur footprint patterned folder as well. Awesome.2 of 2 people found the following review helpful. It's a wonderful addition to anyone's collection of origami 'dinosaur' booksBy regoodyThis is an outstanding origami book. The projects are challenging, but well worth constructing; the diagrams are outstanding. It's a wonderful addition to anyone's collection of origami 'dinosaur' books.0 of 0 people found the following review helpful. Five StarsBy Angel VegaGood product!!!!

With prehistoric favorites such as a brooding Brontosaurus, feisty Triceratops, menacing T. rex, and ravaging Pterosauria, these origami dinosaurs will impress pint-sized paleontologists . . . and their parents! A brief profile with fun facts accompanies each dinosaur, while step-by-step instructions guide crafters through the folding process from start to finish. And with 32 sheets of origami paper included, kids have everything they need!

About the AuthorFernando Gilgado Gomez has been folding paper since the age of ten and has since published a

number of titles on the subject of origami. In addition, he is a member of the Spanish Association of Origami and hosts his craft workshops around the world.
