This book includes designs ready made to insert a baby's name, birth date, weight, etc. It also includes lots of cute pictures that would be great to decorate a new baby's room.A good number of patterns are included. I think this book was well worth the money.0 of 0 people found the following review helpful. Five StarsBy DonnaLove it0 of 0 people found the following review helpful. Loved it!By RiciLoved it!!! I cross stitched the afghan design onto a receiving blanket and the same design was cross stitched on the bottom of a white toddler T-shirt dress. Really came out adorable and it will be one of a kind. You can't buy it at Disneyland. Will do more on T-shirts and

tote bags.

These adorable pajama-clad characters add an endearing touch to framed pieces as well as afghans, bibs, and more! Any of these 33 projects will make perfect presents for the little one.
