0 of 0 people found the following review helpful. DisappointingBy J.K.Calling this book "Princess" is very misleading. A lot of the drawings are not of princesses, but fairies. Some are just of girls shopping, etc. I expected Cinderella, Sleeping Beauty, etc. Some designs overlap not allowing a specific area to be colored, I.e. a skirt of a dress being overlapped by a tree bark. Very disappointed.0 of 0 people found the following review helpful. but I love to colorBy marjorie r. frenchThis book is not exactly what i was expecting, but I love to color, so I can deal with it. I wish it was of the true Disney Princesses. The art work is not very good either.0 of 0 people found the following
