Keiko Sakamoto : DIY Wrap Bracelets: 22 Designs Using Beads, Thread, Charms, Ribbon, Cord and More

before purchasing it in order to gage whether or not it would be worth my time, and all praised DIY Wrap Bracelets: 22 Designs Using Beads, Thread, Charms, Ribbon, Cord and More:

7 of 7 people found the following review helpful. Love it, very inspiringBy ThaoI just got this book today and looked through it and am eager to start making bracelets. The pictures are well done and clear, the projects contain materials list and easy to follow diagrams, and the color combinations and styles are inspiring. It doesn't just cover bracelets but also suggest adaptations for some of the designs into necklaces and earrings. There's even a project for a bracelet with a brooch where the brooch can be worn standalone. I love that the projects use a nice mix of different materials and beads. It is a good jump start for beginners and still suitable for intermediate makers.0 of 0 people found the following review helpful. Very well writer, useful, and many original beautiful ideasBy Laura LakeI have looked at a lot of wrap bracelet books and rejected all of them until I got this one. It has a nice start if you've never made the basic wrap,

as well as the friendship bracelets beloved by teens. But what distinguishes this book is the bracelets, and necklaces, that build on these basics. Many lovely, original ideas, clearly explained without excessive chattiness or over the top styling. Beautiful, but useful, photographs. Good for beginners on up. 0 of 0 people found the following review helpful. Five Stars

Nicely illustrated and will be trying to make !! a few of these bracelets!

You've got these bracelets all wrapped up! Whether wrapping beads and leather cord, or embroidery floss and rhinestones around a bangle, these 20+ jewelry designs are all style. In addition to bracelets, you get coordinating necklace, earring and brooch designs made from a variety of materials, such as leather, gemstones, pearls, beads, fabric and thread. The basics of jewelry-making are covered--DIY Wrap Bracelets includes step-by-step photo tutorials of anything you'll need to know--and each design has detailed diagrams. Techniques like wrapping, twisting, braiding, beading and macram combine to make these gorgeous, quick designs in a variety of styles. You'll find yourself inspired to fashion a new design for every outfit in your wardrobe--and even layering the bracelets together so you can wear them all! Wrap yourself up in the hottest jewelry trend ever--DIY Wrap Bracelets!

"The bracelets (along with necklaces, earrings, and rings to match, at times) from the comprehensive book, *DIY WRAP BRACELETS*, by Keiko Sakamoto, will encourage your imagination and guide you on your journey as you learn to create your own wrap bracelet." --Pretty Kitty Dog Moon Jewelry "...it is a delightful book for those who love the wrap style of jewelry. Makes for a perfect gift for a younger beader you might know." --Beading Gem
