It is all you really need for the best pal pooch. It is a small/thin publication. I like it.2 of 2 people found the following review helpful. Warm Doggie Winter coming up!By IreneThis is a great book with instructions on how to measure your dog for a sweater. The patterns are classics (dare I call dog sweaters classics?). Instructions great. The must have book for dog sweaters both plain and a bit more elaborate (see the intarsia sweaters on the cover). There are also some darling patterns for dog collars!2 of 3 people found the following review helpful. Five StarsBy GKMHappy.
