**Pamela Hastings : Doll Making as a Transformative Process** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doll Making as a Transformative Process:

1 of 1 people found the following review helpful. This is a wonderful book; I studied it a while back and ...By Loel Barr This is a wonderful book; I studied it a while back and still refer to it often. It's not only about how to create dolls, it's about what they mean and what each maker can benefit from the practice. Transformative for sure.

Pamela Hastings, world-renowned doll maker, artist, writer, and teacher guides the reader through a Transformative Process using paper and cloth doll making, with lots of patterns and examples to create fast and simple dolls for fun and life change.

About the Author Pamela has been teaching and writing about doll making with paths to creativity and life change

since the 1970's. Her online classes, books, and ebooks reach students around the world. Her current studio overlooks the Strait of Juan de Fuca in Northwest Washington State.
