Donna Kooler : **Donna Kooler's 555 Cross-Stitch Motifs** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Donna Kooler's 555 Cross-Stitch Motifs:

2 of 2 people found the following review helpful. Great Ideas Simply Presented. By Customer Donna Kooler's books are often the most colorful, complex and contemporary designs out there. And they are challenging. But this book and a few others are designed for those of us who are not that proficient but still want to create a piece that is unique. There are so very many ideas here that it would be hard not to be creative. These designs are rustic but they are lovely and there are many beautiful, but simple enhancements presented. I think of this as my first step in the Donna Kooler designs books. Motifs include but are not limited to homes (lighthouses to tepees), family members, animals, children's themes, alphabets, borders, flowers, samplers etc.etc.etc. Are there any sophisticated pieces? Yes, a few. But the simple designs allow for the development of increased proficiency with color, motif placement and design

organization. Projects can range from a single motif to a combination of many as skills are gained. This book is a wonderful beginners book and can be followed with her 999 Fabulous Cross-Stitch Patterns book. But, don't be fooled into thinking that anything Donna Kooler publishes is simplistic. Donna Kooler designers treat cross-stitch as a fine art. Here we are being presented with the tools and necessary skills first. Just as we had to crawl before we could walk, this is the first step on one joyous journey of cross-stitch. 0 of 0 people found the following review helpful. Three Stars By JanAs always, more items I won't do than those I will. 0 of 0 people found the following review helpful. I love Donna Kooler's books By Continuing to Learn Just received this. I love Donna Kooler's books. Will be a very handy book to create my own combinations of designs.

Celebrate weddings, births, holidays, friendships, families, pets, and houses with 555 designs created by the world-famous Kooler Design Studio. Cross-stitch aficionados can choose from a variety of alphabets, inspirational sayings, childrens designs, and other images cottages, flowers, animals, antiques, and more.

From the Back Cover May peace and plenty bless your world with joy that long endures. And may these inspirational cross-stitch blessings from the acclaimed Donna Kooler beautifully enliven all your projects. Whether you stitch them on gifts or on cherished keepsakes to decorate your home, these sayings will warm your heart and lift your spirits. Whenever you see them, however you're feeling, the world will seem a brighter, more cheerful place.
