Received damaged. 0 of 0 people found the following review helpful. Five Stars By ESTELLA LYONS LOVE THIS BOOK 1 of 1 people found the following review helpful. Great for anyone who loves embroidery By Elizabeth I LOVE this book. The patterns are so cute and the suggested projects are well-written and very appealing. I will definitely be using this book to make some Christmas projects for next year. The book is suitable for a beginner or an experienced embroiderer. I have a lot of experience with embroidery and I still find it very inspiring.

Happy holiday doodles! This cheery installment in the popular Doodle Stitching series by powerhouse author Aimee Ray gives embroiderers a festive collection of motifs to try. Of course, it's filled with super-cute Christmas ideas, from Santa's sleigh to the Nutcracker ballet, but also with designs for New Year's, Valentine's Day, Mother's Day,

Halloween, Dia de los Muertos, Hanukkah, and more. Loaded with more than 20 how-to projects and 300+ new motifs in the book and on the CD this is the ultimate year-round stitching resource.

"The latest in Ray's popular series of embroidery books (Doodle Stitching: Embroidery Beyond; Crewel, Cross Stitch, Sashiko More) focuses on Christmas projects featuring embroidery. This time, Ray has enlisted several popular embroidery bloggers, including Mollie Johansen and Carina Envoldsen-Harris, to bring their own style to holiday embroidery. . . . The enclosed CD includes all of the motifs from the projects, plus a number of other holiday themes, and a selection for a variety of other celebrations such as Halloween, the Fourth of July, and Hanukkah. VERDICT Hand embroidery continues to grow in popularity and these appealing and cheery projects are simple to stitch and the patterns are easy to mix and match." Library Journal
