Paper Dolls : Doris Day Paper Dolls before purchasing it in order to gage whether or not it would be worth my time, and all praised Doris Day Paper Dolls:

America's favorite girl next door, Doris Day delighted audiences on the big and small screen for decades. This 1952 paper doll reproduction has a travel-trunk design with a pretty photo of Doris on the cover. The well illustrated inside pages reflect 1950s fashions including day dresses, evening gowns, sleepwear, coats and accessories (35 pieces in all). Two dolls and eight pages of clothes. Also included is a lovely star by acclaimed fashion forecaster, David Wofe. Great gift for fans of Doris Day and collectors 1950s nostalgia.
