From Twenty First Century Games : Dragonlance, Volume 2 (DL9 - DL16) [ADD Miniature Box Set] before purchasing it in order to gage whether or not it would be worth my time, and all praised Dragonlance, Volume 2 (DL9 - DL16) [ADD Miniature Box Set]:

0 of 0 people found the following review helpful. I love itBy Robert F. LasichExcellent0 of 0 people found the following review helpful. Five StarsBy Brian VogelExcellent

The Dragonlance classic DL sets are the crowning achievement of Twenty First Century Games' authorized ADD reproduction series. Volume 2 contains modules DL9 - DL16, in miniature of course. The accuracy is impressive. "Dragons of Glory" for example has even its counter sheets reproduced in cardstock.
