Drape Drape 3 is the follow-up to the cult Japanese draping books Drape Drape and Drape Drape 2, and the latest in the new series from Bunka Fashion College. It includes 15 stylish contemporary designs for dresses, skirts, tunics, and

blouses, with easy-to-follow instructions and diagrams that skilfully guide the reader to create draped garments step by step. With two full-scale patterns at the back, this book provides a variety of new design ideas and practical construction tips for readers looking to continue exploring draping techniques.

About the AuthorA graduate of Bunka Fashion College, Japan, Hisako Sato worked as Head of Garment Design for Muji until 1993 when she left to develop her own independent label. In 2008, she launched a new brand focusing on dress design, and she is still active as a designer today.
