**Jan Gertley, Michael Gertley : Dried Flowers for All Seasons: Creating the Fresh-Flower Look Year-Round** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dried Flowers for All Seasons: Creating the Fresh-Flower Look Year-Round:

1 of 1 people found the following review helpful. A good book to learn the techniquesBy AnushI like the book. It gives detailed explanation on how to dry flowers. I feel I received enough info to start the hard work. I especially love the plant guide section where it shows the picture of each plant and explains how each of them should be treated. What disappointed me in this book is that the author recommends to use the floral paint to revive the color of the flowers. To me this makes the flowers look artificial. I would like to know which flowers could be dried to preserve a good enough color to avoid the paint. I would, also want to see more flower arrangement recipes that I could readily use. Overall, the book is a good resource and is worth buying.1 of 1 people found the following review helpful. Dried Flowers For All Seasons book by Jan and Michael GertleyBy Mustang69Great book with a lot of information and pictures. Part one Chapters include: Plants to grow, Drying Techniques including air-drying, using desiccants, glycerin, and storing dried flowers. Part Two has Spring, Summer, Fall, and Winter dried arrangements. Part Three is a plant guide arranged alphabetically with pictures, including growing, harvesting, and drying information.0 of 0 people found the following review helpful. Five StarsBy ShanancyNicely presented, good information, great pictures. I read this in hardcover then bought the paperback to have for reference.

Dried Flowers for All Seasons shows how to create dried-flower arrangements with the color, appeal, and just-picked

look of fresh flowers. What's unique about this book is that it includes flowers not usually associated with dried arrangements -- including spring flowers such as tulips and daffodils. The book is arranged by season and there are several types of arrangements for each, including wreaths, sprays, and traditional bouquets.-- Features in-depth information on drying techniques.-- Includes more than 300 color photos.-- A glossary lists more than 60 flowers suitable for drying.-- Step -by-step instructions show how to arrange flowers.

About the AuthorGertley is the founder of Second Bloom Botanicals, a company specializing in dried flowers.
