Nick Snels : Droll Ducks Coloring Book 1 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Droll Ducks Coloring Book 1 2:

Color in the adventures of three black droll ducks. A comic book turned black and white waiting for your colored pencils or crayons to bring each of the 75 comics back to life. Art is like a rainbow ... never-ending and brightly colored. Feed the creative mind of your child and have fun! Each comic is printed on its own 8.5 x 11 inch page so no need to worry about smudging.
