Kitty Moore : Duct Tape Crafts (3rd Edition): 67 Ultimate Duct Tape Crafts - For Purses, Wallets Much More! before purchasing it in order to gage whether or not it would be worth my time, and all praised Duct Tape Crafts (3rd Edition): 67 Ultimate Duct Tape Crafts - For Purses, Wallets Much More!:

5 of 5 people found the following review helpful. Simple but delightful duct tape projects.By John C. DavidDIY projects and crafts can be very educational for kids and can also be very beneficial for adults. It can enhance childrens

imagination and creativity, it is a good stress reliever for adults, a good bonding activity for parents and their children and many more. This is the second book I've got from Kitty Moore and I truly had fun doing some of the projects in this book. Doing the craft projects and finishing them give me this feeling of child-kind of joy, I really had fun! I created the lanyard and the tissue box, they look pretty good. This book is great and would be very useful for parents, art teachers, kindergarten teachers, students and anyone who would like to be creative. 4 of 4 people found the following review helpful. amazing duct tape projects By book thug This is a great way of passing time. I never knew that duct tape can be this useful. I tried a few DIYs on this book with my kid and the results were just amazing. I especially loved the duct wallet and the duct tape hat. The up-cycled hoop earrings were great too. They are so many we didn't manage to make all of them but I guess it's just a matter of time. It was relatively easy to make them thanks to the directions on the book. 0 of 0 people found the following review helpful. No images or diagrams just text which is not always clear By Ali Julia The instructions in the book are hard to follow. The problem is that the book has absolutely no images or diagrams to clarify when instructions are ambiguous. What is worse is that the author provides a link "click here to see an image for this craft" but instead of taking the reader to the image it takes the reader to other books written by the seller as cross-promotion, the link has no images of the craft. I felt tricked. Ali Julia review

"What a great book for kids and adults. So many different crafts that can be made from duct tape. I never knew how much fun it would be to create so many different things from duct tape until this book. If you're interested in duct tape art even in the slightest, this is the book you will want to get. The book provides some really helpful basic tips and techniques for working with duct tape, and then shows you a large variety of projects. This is a really fun book for someone who enjoys creating and tinkering." -- James Arm "Great ideas for duct tape! Imagination is the key with this book! The best of all is how inexpensive it is to build this craft. This book is ideal for unique gifts for the kids." -- Dennis R. "Loved this book! It has many usable ideas for kids and adults alike. This book will improve your creativity, craft skills expand your repertoire of design capabilities. Once you understand the basics, you are free to let your own imagination loose see what wonderful projects you can come up with your own. Happy crafting!" -- Samantha Fox "Easy to follow instructions to get amazing results! This great publication will help you to make awesome crafts in no time! I recommended it!" -- Roberto Quiros "Crafting doesn't mean expensive materials and difficult crafts. Just a simple duct tape and a book full of ideas for anyone to practice. Well, this is what this book is all about. Having a great time crafting." -- Karen Werner About the Author Express yourself. Whether it's crafting, decorating my home, or helping my kids with school projects I enjoy expressing myself. I believe it's my duty and my obligation to inspire others. I hope that others can take these ideas I have put out, and mold them to fit their own. "In crafts there are no mistakes. It is your own unique creation."
