Great buyBy Kathryn D.Beautiful and easy to fold butterflies, love this book!

From the vivid Green Cairns birdwing to the striped Tiger Swallowtail and the Blood Red Glider, these beautiful butterflies feature a kaleidoscopic array of colors and patterns. Includes simple instructions for folding, and perforated pages for easy removal.All of the origami patterns are designed to highlight the diversity of species, with accurate portrayals of variations in the insects' top and bottoms views. Each butterfly model is accompanied by fun facts about behavior and distribution.

The book can be fun for beginners and kids, who will surely enjoy making and comparing the different colorful designs. ~Gilad Aharoni, "Gilad's Origami Page: Everything Origami at Your Fingertips"From the AuthorStep-by-step video instructions for folding the butterflies in this book can be found at youtu.be/sOdyuaAL4Ag.About the AuthorAward-winning author/illustrator Tammy Yee has worked on more than thirty children's books including "The Tsunami Quilt" (written by Anthony Fredericks, Sleeping Bear Press), Honor Awards winner for the 2008 Storytelling World Awards in the Stories for Pre-Adolescent Listeners category; "A is for Aloha" (written by Uilani Goldsberry,
