**Maria Diaz : Easy Cross Stitch Series 2: Baby** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Easy Cross Stitch Series 2: Baby:

Each title in the Easy Cross Stitch series provides a beautiful collection of designs to inspire and challenge beginning stitchers. These thematic resource books offer an easy-to-follow, full-color chart and a color key on every page. This guide book gives crafters a wonderful excuse to satisfy their cross-stitch passions with the arrival of a new baby. With patterns that include rockets, boats, dinosaurs, princesses, and horse drawn carriages, this book is packed with bright ideas to help decorate the nursery for any boy or girl. The patterns, which are perfect for beginning and advanced

stitchers, can be used to make fun greeting cards, to patch onto change bags, to add color to bed linens or clothing, or to simply create a beautiful sampler to commemorate the happy arrival.

About the Author Maria Diaz is a freelance needlecraft designer who has been published regularly in magazines and books worldwide.
