Maria Diaz : Easy Cross Stitch Series 4: Borders before purchasing it in order to gauge whether or not it would be worth my time, and all praised Easy Cross Stitch Series 4: Borders:

0 of 0 people found the following review helpful. Many different border choices inside By S. Brockway I just got this book and am excited over the number of border options to choose from. At 56 pages in length I was not expecting too many more than what was previewed on the covers, in reality there are on average from 5-6 or more border patterns on every page! They appear to be simple to follow, engaging enough not to be boring at all, and easy to customize to my color and sizing needs! Very pleased with this purchase; I may never need another border collection after this! 1 of 1 people found the following review helpful. Compact Guide By KRLots of border ideas. Including bird houses and music. The diagrams are clear. DMC thread colors are given if you want that.. There are a few pages in black and white. It appears to be blackwork designs but are not labeled as such. They show small samples of the charted designs

already stitched. It would have been nicer to have them closer to the charted designs. The book is a compact size..0 of 0 people found the following review helpful. Five StarsBy Deborah HemeonGREAT

Each title in the Easy Cross Stitch series provides a beautiful collection of designs to inspire and challenge beginning stitchers. These thematic resource books offer an easy-to-follow, full-color chart and a color key on every page. A variety of borders from strong, geometric patterns to pretty, flower-inspired designs are included in this cross-stitch book. The borders can be used to decorate tablecloths, towels, or cushions, and the book offers inspiration to put them together to produce an original sampler all your own.
